Seven British dormer extensions that take design to another level

For our latest roundup, we've collected seven dormer extensions, from a design that takes cues from Italian palazzos and paintings to an extension clad in recycled plastic tiles designed to look like slate.

Eight unique patios that beckon to the outdoors

For our most recent lookbook, we look at homes where the threshold between indoor and outdoor spaces is thin, thanks to their sprawling patios that create the perfect place to kick back and relax outside.
